

Electoral literacy: supplied return

HISTORICAL SOURCE SUMMARY

An undated college return supplied in the session202527 folder identifies an Electoral Literacy Club at Pine Grove College of Education, Bassi Pathana, describes its type as Future Voter and records 32 members.

The folder name is not an effective date. This is a summary of the supplied return; it is not a current membership certification, constitution, election-authority approval or completed activity report. The constituting order and dated activity evidence still need to be added.

The original includes personal contact information and is held in the restricted archive. No personal mobile number is published in this summary.
